To our Evesham residents and business owners:

As our community continues to persevere through the COVID-19 emergency, rest assured the Evesham Township Office of Emergency Management continues to work day and night to keep our township healthy and safe.

Please know that your OEM team is drawing upon the shared experience of our local police, fire, EMS, municipal staff, school districts, MUA, businesses, volunteer organizations, religious institutions, charities and more.

To aid in these efforts, we have created a special phone number and email at **(856) 988-4425** and **covid19help@evesham-nj.gov**

This has allowed us to collect information from those in our community who need additional assistance during these trying times, and it has provided a method for members of our community to volunteer their services.

In conjunction with our OEM team, The Rotary Club of Marlton will also be hosting a bi-monthly food drive to collect donations of nonperishables on the second and fourth Saturday of each month from 9:30 a.m. to 11:30 a.m. at the Gibson House Community Center, located at 535 E. Main St.

These donations go directly to those in need in our community, and they also help stock local food pantries in Evesham Township.

The Rotary Club of Marlton can also process monetary donations in the form of checks or gift cards. For more information, contact the phone number/email above.

Moving forward, there are many unknowns ahead of us.

Yet time and again, Evesham Township has proven to be a community filled with people who love and support their friends and neighbors.

This compassion is one of our greatest strengths, and it's why we will overcome any challenges ahead. We are Evesham Strong.
