## General Notes & Data Sources:

This Geographic Information System (GIS) Zoning Map is for demonstration purposes only, any use of this map is shown to support accuracy and is not intended for the sole reliance of the end user.

The aerial imagery, boundaries, and details shown on this map, are information, in part, from ground surveys, aerial surveys and recorded plans, tax assessment maps and documents, and are to be used for reference purposes only.

This map was created, in part, utilizing partial, municipal boundary and location information provided by Remington and Vernick Engineers. The zoning boundaries and data are based on the zoning map produced by Bach Associates, PC in March 2015 as of ordinance 5-3-2015. The zoning boundaries were updated by Remington & Vernick Engineers as of Ordinance No. 13-8-2023.

This Zoning Map was adopted as of ordinance 13-8-2023 on August 9<sup>th</sup> 2023. This Zoning Map will supersede the previous adopted and signed zoning map.

Additional cadastral and GIS feature mapping data was obtained from the New Jersey Geographic Information Network (NJGIN), the New Jersey Department of Transportation (NJDOT), the New Jersey Department of Environmental Protection (NJDEP), the New Jersey Office of Geographic Information (NJOGI), and the New Jersey Office of GIS (NJOGIS). The data was obtained and provided by the various New Jersey Departments at the New Jersey Geographic Information Network (<https://njinet.nj.gov/>). The data was not independently verified but was not independently verified by (NJGIN/NJOT/NJOGIS/NJDOT/NJDEP) and is not state-authorized.

All positions are based on the following:

- NAD 83 (horizontal datum)
- North American Plane Coordinate System
- English units (feet)

The geodetic accuracy and precision of the Geographic Information System (GIS) data contained in this mapping has not been developed nor verified by a professional licensed land surveyor and shall not be nor is it intended to be used for (relying) detailed engineering or other purposes. The ground horizontal and/or vertical controls unless otherwise noted.
